On behalf of Jim Woolford, Director of the Office of Superfund Remediation and Technology Innovation and Chair of the Special Accounts Senior Management Committee (SASMC), I am transmitting the report entitled "Report to EPA Senior Management on the Status of Superfund Special Accounts and Activities of the Special Accounts Senior Management Committee in FY 2014". This report provides an overall status of special accounts and covers activities of the Special Accounts Senior Management Committee in FY 2014, in accordance with the charter establishing the SASMC.

If you have any questions or concerns regarding the report, please contact Jim Woolford at woolford.james@epa.gov or 703-603-8722, or you may discuss with your office's representative to the SASMC.

Thank you.
